

Cut on black lines

Parking Ticket

This is an idiot parking ticket!

You probably deserve two of these.

Because of your inconsiderate feeble attempt at parking, either you parked too close to me or you are taking up enough room for a fleet of moving trucks.

The reason for giving you this, is so that in the future you may think of someone else, other than yourself.

Besides I don't like inconsiderate, egotistical or simple-minded drivers and you probably fit into one of these categories.

I wish you an early transmission failure and 4 flat tires on the expressway at about 4:30 p.m.

HAVE A NICE DAY
